SECRET CRUSHES

Lola

We all know you wish you could hook up with the ladies in these pages. While highly unlikely, we encourage you to let them know you'd wash their car, meet their parents, or just that you have a secret crush on them!

Hey, I'm Randy and I'm writing to you because I have to. Why, must you write, you may ask? Because of Lola (Swank 231), that's why. As a regular connoisseur of men's magazines, I gotta say that an exquisite specimen of female pulchritude has rarely shown up on the printed page. Or video for that matter. Her youth plus her sexual exuberance are such a turn on that I just had to write to you. Okay, I won't ask where you found her (but where did you find her?). Hopefully you'll run her again, either as a new photography or maybe there's more from this shoot that you could share with us.

— Randy B., Annapolis

Amazing! That's what I have to say about the girl/girl/girl/girl orgy from your last issue. It one thing to se a girl/girl shoot, or even three girls every once in a while, but four, that was a treat to us lesbian lovers. Being lesbian myself, I've only been in a threesome with two other women, I fantasize about a four-way or more-way. There's just something about all that female flesh thrashing around a bed with the low hum of several vibrators buzzing all around. And the smell of all that sweaty females is so intoxicating that I wish I could bottle it up and sell it – online, of course. I went online and looked at the video of them, and it was pretty hot, too. It's more exciting than the photos, but with pictures, I can look at them for hours and use my imagination.

I'D RATHER FLESH THAN GLASS

AFTER ALL THE YEARS I GAVE TO MY COMPANY, TODAY IS MY FINAL EXIT....

I was laid off my job and now I have to get myself together and go job-hunting. Even though my ego is a bit shot, I'm looking forward to new adventures and remembering the old ones. Some of those are better than others...

For the last ten years I've been working at a large clothing manufacturing company in Southern California. Economic times have been good and bad, but not as bad as they are now. In the past five years, the company released over 400 employees – and now I'm about to feel the crunch. Yesterday my whole department was let go, adding another fifty to the unemployed ranks and me – another 38-year-old man – into the job pool. Fortunately, there are memories I can keep.

The most difficult thing about getting let go was to have to leave all the friends I had made during my tenure there. One of the most difficult of all to leave was a woman named Sophie. She wasn't in my group, but we had almost daily dealings together. I had envisioned her slender form a million times as she would wander back and forth past my office door during the course of the day. Always nicely dressed her firm breasts and tight ass accented whatever she would wear. Her gliding steps showed off her well toned legs as she passed by on what seemed endless trips of her well planned journeys whose only purpose was to make me fantasize over her. She had a well toned, and shapely ass, which rode atop muscular well developed legs. Her upper torso looked like it was rock hard and included those stand up, too-perky, firm breasts that always were leading her way.

My description of her does not do the actual Sophie justice because of her intense beauty, both outer and inner, as I was about to see first hand on my last day. I was feeling kind of lousy due to my circumstances and Sophie thoughtfully gave me a hug as if to say 'everything will be OK.' It was difficult to hide the swelling of my dick as she pressed her tight body against mine. I reciprocated the hug back but the only thought on my mind was relieving my cock inside her full mouth or her sweet pussy, maybe even her ass (a guy can dream, can't he?).

She noticed the ever growing bulge in my pants and took me by the hand to the nearby vacant office of

somebody else who suffered the same vocational fate as me (Doug Smith). My mind was racing with possibilities of what might happen here, but my logical self decided that this would be too good to be true so I dismissed any romantic possibilities, until she squeezed my hand with hers, and with her free hand she rubbed the outside of my expanding pants. I closed the office door and, with nothing to lose, spoke up, "I have wanted to fuck you since the first day I met you." She responded by unzipping my pants exposing my throbbing cock, and saying "Well why haven't you then?"

"Now that I know that you are excited..." She engulfed my cock in moist and silky lips. She took almost all of my cock into her mouth, her tongue massaging the shaft of my prick while I felt her sucking the precum from the head. Her hands moved deftly about massaging my ass then hefting my balls. All the while her rhythmic head bobbing and sucking action made me cum in her mouth. I was not sure how she was going to react to that seeing as how some women don't care for that, but I am happy to say that she gulped it all up and said to me that I had the best tasting cum she had ever had, and wanted to drink of the nectar again, but I had plans for her pussy that could not be put off.

Watching and feeling Sophie suck on my dick made me want to do the same for her, so I lifted her onto the barren desktop, and pulled the chair around so I could go to work. I found that she was not wearing any underwear as I lifted up her dress to expose the object of my desire. Her pussy was sweet and sopping wet as I dove in, lapping at the exposed inner lip and mixing my spit and her juice. I tightened up my tongue and with my hands spread her pussy wide open to show off her pink, wet pussy and clit. I toungeed all around her clit, brushing up against it once and again. I felt her twitch with anticipation every time I got close to her clit, I finally just put both lips around her clit and started sucking it while rubbing it with my tounge. Her hips thrust upward and closer to me, shoving her pussy further into my face, almost to the point where I couldn't breathe anymore. My nose got another whiff of her woman's scent and I felt my cock get even harder, as if that was even possible at this point.

She continued by rubbing her pussy all around my face while I tried to keep a lip lock on her clit, gently pulling it as she continued to grind her pussy into my face. This action made her cum like gang-

busters. Her pussy juice was all over my face and she bent over and licked the sauce from my face and then got up from her perch and removed her dress and bra so I could see, in full, the heavenly body she possessed.

Sophie told me to strip down so she and I could explore each other for a while, and I did so eagerly. We sat on the little sofa and started touching each other's bodies. This action lasted only a few minutes when she found my dick hard as a rock. She bent over, stroked my cock a couple times for good measure and kissed the head of my cock, which was ready for her wet pussy. Then Sophie spun around on the sofa so that her knees were on the seat and her arms rested on the back of the sofa. She took one hand and reached around and pulled back on her ass cheek showing me her hot slit and moist puckering asshole. I got up and positioning myself behind her, plunged my cock into her pussy. It was the hottest pussy I had ever stuck my dick into, she moaned with delight as I entered her. Slowly at first, and then speeding up slightly with every other stroke. I reached around and played with her hard nipples, squeezing them with each inward thrust.

Her butt was right in front of me and I couldn't resist playing with her puckered anus as I thrust into her pussy. I stuck my thumb into her pussy to lube it up and then pulled it out and started swirling it around her butt hole. I heard muffled groans as soon as I did this and boldly stuck in my thumb up to the first joint. More groans. I made small circles in her butt as my cock was bruising the insides of her hot, wet pussy. I inserted my thumb deeper and deeper into her and thought to myself that she's getting dp'd by just one man – me. That made me even hotter as I banged her pussy like a jackhammer.

Sophie liked this very much, but wanted me to fill the other hole with my cock and squeeze her tits some more. I was more than happy to oblige her request. I withdrew my throbbing tool and she reached around with both her hands and spread her ass cheeks so I could see the tight puckered prize. My cock lubricated with the juice of her cunt and my precum, slipped relatively easy into her waiting asshole. Like her pussy it was very hot, a few thrusts and some nipple tweaks later we were both cumming, her back arched up to meet my chest, and she tightened up her asshole, which extended the orgasm for both of us.

Haley Cummings

Us: Hi Haley, If I may, you're quite a sight walking over to our table with your boobs leading the way. Have a seat, won't you?...

Haley: Hi. Well, no one has ever said that to me before, but I'm sure a lot of people have thought it! *(laughs)*

Us: Most of the time I would start asking questions about fucking a cock, but let's start with girls. Are you a pussy aficionado.

Haley: Would you like me to tell you about my first lesbian experiences before I got into the business because you'll never see it in videos.

Us: Why of course. That would be great.

Haley: I promised her I'd not reveal her real name so I'll call her Sara. I couldn't help but be attracted to her long blonde hair and beautiful blue eyes as she worked in the salon. I was smitten the moment I saw her. I was also pleasantly surprised when she started flirting with me. After closing down the salon, we headed to a back office. I got there first and Sara a minute later. She came in and closed the door.

Us: How long ago was this?

Haley: I think about seven years or so. I remember she saw that I was already wet with anticipation. Sara then traced my pussy lips with her hand and her hands ran the length my thighs as she lowered her head to my pussy.

Wishful Thinking

Haley Cummings

She moved her mouth over my clit as she crawled on top of me and began to play with my quite large breasts.

Us: Were they as large then as they are now?

Haley: Yes they are. Ever since college, I've had these. Anyway, I'll try to finish up my story. Sara moved her hips between my legs, grinding her clit into mine. I felt my body begin to shudder from the beginnings of a climax, but she pulled away from me.

Us: Oh no... you haven't cum yet?

Haley: She bent over, and she reached for something on the floor beside the desk. She fastened a dildo in a harness onto herself and I couldn't wait for her to unleash it on me. I felt her finger slide inside me to collect some of my juices before rubbing the glistening liquid on the shaft of the dildo. Sara stuck the tip just inside of my hot pussy before pulling back out. Then she pushed it inside me. I had never been fucked by a toy before.

Us: That sounds pretty exciting.

Haley: Well it got a little stranger.

Us: Do tell...

Haley: Just then the door opened and the cleaning lady walks in to see me spread-eagled on the desk and Sara wiping off the dildo. She looks over to the lady and tells her firmly to put her stuff down and come over here. She does so and Sara tells her to get on her knees at the foot of the table. She pushes her head into my pussy and I feel a soft tongue licking me again. I close my eyes...

Us: Well, wow, that was quite the ending. Haley, we see you went to Japan and did some work there.

Haley: Yes, I actually did, on a dare. I was told they love big-boobed blondies and so I researched it and

sure enough, I hooked up with another girl and we went over and got ourselves some hot Japanese cock-sushi.

Us: Cock-sushi? Was it any good?

Haley: Yeah, that's what we called it, and it was quite good. Japanese men are very willing to please a woman and they took their time with sex, and they loved using toys. Lotsa toys. They did not have the largest cocks or were the longest lasting guys, but they got the job done. Oh, and did I say they loved my big blonde hair and big American boobies? Sayōnara!
